15 YEARS
OF PROVING WHAT’S POSSIBLE IN PUBLIC EDUCATION

CALVON JONES, PRIDE OF 2011
2015 Graduate of Morehouse College, Summa Cum Laude
Graduate student at Yale Divinity School

SUPPORT THE KIPP ENC ANNUAL FUND

KIPP:ENC
College Prep Public Schools
For more than 15 years, KIPP Eastern North Carolina (KIPP ENC) has undoubtedly proven what is possible in public education in North Carolina. From its original 27 acres of peanuts and soybeans, KIPP GCP has expanded to include KIPP Halifax and KIPP Durham. The original Pride of 70 students has grown to over 1,500 students in grades K-12 in Gaston, grades 5-6 in Halifax and grade 5 in Durham.

**KIPP GCP Primary School**
Your gift to the Annual Fund helps KIPP Primary turn its new library into an amazing space where students can expand their horizons through many types of texts and multi-media learning experiences. Contributions are needed to purchase shelving, seating, books, periodicals, computers, and online media services.

- **Founded 2012**
- **475 Students**
- **29 Teachers**

**KIPP GCP Middle School**
Unrestricted annual donations help to ensure GCP 8th grade students have access to rigorous high school courses like Spanish I, Math I and Civics and Economics, as well as exposure to enrichment activities like music, art, summer programs, sports and new student orientation.

- **Founded 2001**
- **450 Students**
- **26 Teachers**

**KIPP GCP Pride High School**
Annual gifts support Pride High’s Freshmen Orientation where students spend their first days of high school where you can expect to find them in four years: on a college campus. Funds also enable Pride High to share its annual Senior Signing Day over the internet so those unable to attend can watch live on a computer or mobile device.

- **Founded 2005**
- **320 Students**
- **32 Teachers**
POWER. FREEDOM.

With your help, the KIPP ENC Annual Fund provides yearly support for each school in areas of greatest need. Your gift helps to support all our students, from kindergarteners learning to read in English and Spanish, to middle school students participating in community service projects, to high school students attending college visits and summer programs. With your help, KIPP ENC will continue to prove that demography does not define destiny.

**KIPP Halifax College Prep Public School**

Your donation to the Annual Fund helps KIPP Halifax build on its strong school culture by celebrating successes with end of the year field lessons where students are exposed to kayaking, rock climbing, ropes courses, and team building exercises. Contributions offset costs associated with lodging, transportation and meals.

**Founded 2014**

190 Students

10 Teachers

**KIPP Durham College Prep Public School**

In its first year, KIPP Durham is creating an academically rigorous, high-quality college prep option for students in East Durham. However, as a public charter school, it receives no state allotment for transportation. Your unrestricted donation to the Annual Fund can assist with school bus acquisition, fuel costs, and routine bus maintenance.

**Founded 2015**

95 Students

6 Teachers

**KIPP Through College**

Your support helps KIPP Through College (KTC) ensure students have the necessary resources to stay on the journey to and through college. Over 60% of Pride High’s first senior class has graduated from college and 14 alumni have returned to KIPP ENC to teach so that they can further strengthen their community and fight for social justice.

The Pride of 2015 has the highest projected college completion rate in the KIPP Network.
MAKE A DIFFERENCE

Your support of the Annual Fund ensures that current and future students have the necessary resources to climb the mountain to and through college. Use the enclosed envelope or visit our website at www.kippenc.org to make your gift.

Cubs Level
$150 one-time gift
Provides a classroom with a set of novels
